

I like women

like the way I like the way I like the way
I like the way I like the way I like the way

Oh, there is a

you take,

you take,

you take off clothes.

you move,

you move,

you move for me.

star...

I just call this, I just call this love,

I just call this,

And it's because, and it's because, and it's because of you.

Oh! There is a super star, a super star, Oh! There is a star.

I love your curves, I love the way you treat me, And I really wanna watch this!

Hey, so turn the lights down, I wanna do this... Hey, you've wet my pants, I didn't expect that.... Move, I'll clean myself, don't worry Darling please, It has been my fault...

You know I like you.

Woman! Woman! Woman! Woman!
